

# True Identity Tour

September 7 – 10, 2017

at Various Boston-North Region Churches including  
Blessed Hope Church \* Deeper Worship Center  
Kingdom-Awakening \* Christ Chapel

*Have you ever wondered how Jesus lives in you?*

Join us as we learn together who we are in Christ.

Four churches are hosting a four-day conference with speakers invited from Florida and Pennsylvania.

They will teach us how to realize what's been going on in our lives, at times unbeknownst to us, as God has been working out his perfect love in and through us.

Come enjoy fellowship as we grow in such a great love.

**Bill Vanderbush, Speaker, Pastor, Author**

Bill has been a Pastor for 25 years. Bill works with New York Times Bestselling Author, Ted Dekker. Bill and Ted co-authored a book and study course called “The Forgotten Way of Yeshua. The Path to Power and Peace in This Life”. Bill’s consuming passion is to empower people to do the greater works that Jesus spoke of and live out the mystery of our union with Christ. Bill and his wife Traci currently live in Celebration, Florida.

**Ryan Bastress, Speaker, Pastor**

Ryan has been ministering the gospel across the United States. With his wife, Kirsten, he has also traveled internationally several times since 2014. No matter where God opens a door, Ryan will willingly go, in order to see people’s lives changed. In May 2015, Ryan became the full time Community Life Pastor at his home church in Abbottstown, PA, as well as part time itinerant minister. Prior to 2015, he was in youth ministry for seven years.
